Happy Holidays!

Year 6 Young Enterprise

Amongst the many things that Year 6 have been learning, they have been learning about entrepreneurial skills. In order to raise money for their end of year party, they recycled cardboard, bottles, lolly sticks as well as bringing ingredients to make slime and lava lamps. The aim was to create educational items for younger children.

They produced spinners with times tables on, stress balloons, sensory bottles, friendly frames and slime.

They raised £137.80 which gave them a superb picnic!

Year 6 Leavers' Service

So...what did year 6 remember most from their time at HT?

At the leavers' service on Thursday morning they said: dressing up as Romans, Egyptians, Victorians, Tudors,; making digestive systems, going to Hobble-down.

They've been on quite a journey from arriving in year 3 not knowing their way around to... a calm, confident and excellent production last week, great SATS results, contributing loads to others in the school via being prefects, school councillors, etc, maturing and being ready for the next stage of the journey.

Best wishes to year 6 as they go.

Year 4 sports

Well done to year 4 for a brilliant sports day. The weather was great and everyone was in fine, competitive mood. Great fun

was had by children, parents and staff, with a great spirit of competition shared amongst all!

Year 5 sports

Well done to year 5 for another great sports day too. There were hurdles galore; balancing, running; all sorts of competing—and they beat the weather this time! Well done year 5.

Year 5 bread making

As we walked through the school on Tuesday afternoon there was a wonderful waft of fresh bread! Year 5 were busy designing and making the most wonderful (and in some cases colourful) bread creations, which smelt delicious...

The Great year 5 Bake Off...

On Tuesday 18th July, year 5 took part in a bread making bake off! The Friday before, the teacher's showed us how it was done and then it was our turn. We were in teams and we had to research a recipe and bring in the ingredients such as; yeast, flour, oil, butter, salt or even sweet things like chocolate chips! We began making them in the morning (it was messy!) and then we had to leave them to prove, before we could put them in the oven. Everyone's turned out really good! Some were huge and they tasted even better!

Information afternoons September 2017

In September we will run an information afternoon for the parents/carers of each year group to attend. To enable pick-up at Beddington Infants **each one will run from 1.45pm—3.05pm,**

Year 6 will be first on Monday 11th September 2017, then Year 5 on Tuesday 12th; Year 4 on Monday 18th and Year 3 on Tuesday 19th.

On each afternoon there will be news about the curriculum specific to each year group, and there will be time in each classroom. Please could just one parent/carer of each child attend due to the space in the classroom environment.

PFOS—next meeting

Huge thanks to PFOS for their great work this year, funding so many trips and shows and special events. They will meet once again on Friday 8th September. Put a note in your diary!

Sainsbury's Active Kids

Vouchers

Thank you to all who sent in their Sainsbury's Active Kids vouchers. We raised over 20,000 which enabled us to purchase much needed PE equipment to support the curriculum.

In Church - You are welcome to attend the services in Holy Trinity, St Patrick's or Springfield church on a Sunday morning—all of which start at 10.30a.m. and St Patrick's also have a family service at 4pm

Reminders

Lateness in the morning and at pick-up Every minute of the day is carefully planned to maximise learning opportunities. Please make sure that children arrive at school on time. There are children who are also persistently late being picked up. Parents will be now be sent a warning letter if their child is collected after 3.45pm. After three warning letters, reminding of the system, a fine of £5 will be charged to ParentPay. This will offset staff supervision costs.

LOST PROPERTY Please name all of your children's belongings!

Illness: Please remember that if children are ill with sickness or diarrhoea they must not return to school until 48 hours after ceasing to have these symptoms. We are also reminding children about the importance of hand washing. Thank you for your co-operation.

IMPORTANT: medicines must not be sent into school with children under any circumstances. If your child needs to take medicine during the day, please bring it to the office with a completed medicine form. This form can be downloaded from our website or from the office.

NUTS—please note that nuts should not be sent in to school under any circumstances since we have children who are very sensitive to them and can have severe allergic reactions.

Healthy snacks—please can children bring only fruit for snack at play time. Thank you.

Newsletters

The newsletter comes out every Friday and will go on the school website for you to look at. All copies of letters also go on the website.

Keeping us updated

Thank you to all those who have updated us on any family circumstances that changed in the holidays or have given us current health information about the children, etc. It is essential that we are up to date so that we can support the children as required. For those children who have inhalers for asthma, epipens or any other medication, please make sure that everything is within the expiry date.

Tissues and glue Please can all children bring their own glue stick to school and a box of tissues. Many thanks for your help. It would be a big help to the stock and budget, benefitting everyone. Thank you.
